

Foreign Correspondents

Geological Society of London

Foreign Correspondents:

Foreign Correspondence John Hohenberg,1995-06-01 This extensively revised edition reads like an adventure story about the vital role of the foreign correspondent throughout history From the roles of Winston Churchill and Georges Clemenceau to those of some of history s greatest war correspondents from Ernie Pyle to Peter Arnett Hohenberg himself a reporter of considerable standing distills the wars and historical moments that have shaped world politics In the second edition Hohenberg emphasizes the American experience particularly the recent role of television and daily newspaper correspondents in Vietnam the Gulf War and the post Cold War crises He also examines of the role of the foreign correspondent in the future and the impact of new media technologies on this profession

The Global Journalist in the 21st Century David H. Weaver,Lars Willnat,2020-10-25 The Global Journalist in the 21st Century systematically assesses the demographics education socialization professional attitudes and working conditions of journalists in various countries around the world This book updates the original Global Journalist 1998 volume with new data adding more than a dozen countries and provides material on comparative research about journalists that will be useful to those interested in doing their own studies The editors put together this collection working under the assumption that journalists backgrounds working conditions and ideas are related to what is reported and how it is covered in the various news media round the world in spite of societal and organizational constraints and that this news coverage matters in terms of world public opinion and policies Outstanding features include Coverage of 33 nations located around the globe based on recent surveys conducted among representative samples of local journalists Comprehensive analyses by well known media scholars from each country A section on comparative studies of journalists An appendix with a collection of survey questions used in various nations to question journalists As the most comprehensive and reliable source on journalists around the world The Global Journalist will serve as the primary source for evaluating the state of journalism As such it promises to become a standard reference among journalism media and communication students and researchers around the world
