Feature Writing For Students

Feature writing is an exciting way for students to explore storytelling, combining factual reporting with narrative techniques to engage readers deeply. Whether you're covering a school event, profiling a notable person in your community, or exploring a significant issue, feature articles allow you to delve into the subject matter with creativity and depth. Here's a simple guide to help students craft compelling feature stories.

Choosing a Topic

- **Interest and Relevance:** Pick a subject that fascinates you and is relevant to your audience.
- **Unique Angle:** Find a unique perspective or an under-explored aspect of a well-known story to stand out.

Research and Interviews

- **Comprehensive Research:** Gather diverse information about your topic from reliable sources.
- **Interviews:** Talk to people directly involved or knowledgeable about your subject to add depth and authenticity to your story.

Writing Your Feature

1. Headline

- Create an engaging headline that captures the essence of your story and piques curiosity.

2. Lead (Lede)

- Start with a strong opening that grabs attention (use an anecdote, a striking fact, or a compelling question).
