Propaganda and Culture in Mao's China Timothy Cheek, 1997 This biography of Deng Tuo 1912-1966 is a social history of intellectuals as agents in China's socialist revolution It places Deng Tuo's writings and ideas in the rich context of his social experience as a member of the Communist bureaucracy and as an elite artist and aesthete The tension between service to politics and service to culture was ultimately disastrous for Deng and for China's revolution his ghost haunts the halls of power in Beijing today
